## SEWERAGE PLAN RECEIVED

### SELECTMEN RECEIVE SEWERAGE PLAN

The master plan for the proposed sewerage system of Wilmington was placed in the hands of the Board of Selectmen last Saturday, in a special meeting, in the Town Hall.

The plan lays out the proposed system for all parts of Wilmington except the Rural Districts, and is expected to cost eventually in the neighborhood of \$3,000,000. It was prepared by Whitman & Howard, Inc., Engineers, of 89 Broad Street Boston.

Basically there are two parts to the plan, one being a trunk line from the Woburn line towards Wilmington Square and Silver Lake, and called the Lake Interceptor. This will run alongside the tracks of the Nashua Branch of the B&MRR to a point near Grove Avenue. Tributary to this trunk line will be lines covering Butters Row, Burlington Avenue, Shawshen Ave, Church St and Middlesex Avenue, as well as the entire Silver Lake District.

The other trunk line will be one running towards North Wilmington, and will be known as the North Wilmington Interceptor. It will cross Lowell St. at a point near the Walpole Woodworkers, join West St. near Grove Street, and further on it will parallel the B&M Portland Branch, to Salem St. where it will be ready for use and extension to the Northern Industrial Zone of Wilmington. The pipe to be used along the Portland Branch of the B&M is planned to be 12 inches in diameter.

The largest pipe, near the Woburn line, will be 30 inches in diameter.

Wilmington, according to the statements made Saturday, will not be expected to treat any of the sewerage before it is discharged into the Metropolitan North District Trunk line, expected to be completed to the south Wilmington line in 1960.

(cont pg. 4)

### AUTO ACCIDENT ON MAIN ST

A new Ford was damaged in the front of the car, when the operator fell asleep, as he related the accident to the police, at 1 am last Thursday.

William B Whalen Jr of 227 Burlington Avenue, operator of the car, was uninjured.

### GIBBONS TO RUN FOR SENATE

Charles Gibbons, for 14 years a Representative in the Legislature from Stoneham, former Speaker of the House, former (twice) Minority Floor Leader, and former Chairman of the State Republican Committee announced Wednesday morning that he will be a candidate for nomination and election to the Senate from the 7th Middlesex District (Lowell, Bedford, Billerica, Burlington, Lexington, Reading, Stoneham, Tewksbury, Wakefield and Wilmington).

Mr. Gibbons will run in the place of Senator Ferguson, of Lexington, who announced that he will not be a candidate for re-election.

### THE DEMOCRAT'S CHOICE

Representative Thomas F. Donohue and Mrs. Donohue, at the 'kick-off' dinner last Sunday, in Woburn, where Mr. Donohue announced his candidacy for re-election this fall. To the left of Mrs. Donohue is Mrs. Pat McDonough, and to the right of Mr. Donohue is Mike Curran, City Editor of the Woburn Times.

### REP THOMAS F. DONOHUE OPENS CAMPAIGN FOR RE-ELECTION WITH KICK-OFF DINNER

Representative Thomas F. Donohue of Woburn officially opened his campaign for reelection to the State Legislature at a dinner party, in the American Legion Hall, in Woburn, Sunday evening. Over 400 Democrats were present to wish him well. Present also at the same meeting was Mayor William G. Shaughnessy of Woburn, his first appearance since being nominated for State Treasurer by the Democratic State Primary Convention.

State Senator Frederick T. McDermott represented Governor Foster Furcolo. He brought the best wishes of His Excellency, in addition to announcing his own retirement from public office.

The program opened with an address by Patrick J. McDonough, chairman of the dinner committee. Others who spoke included Rep. Doherty of Medford, Rep. George O'Farrell of Malden and Rep. Paul Ruarke of Lowell.

Among the Wilmington Democrats present were Chairman James McLaughlin of the Town Committee, John Davis, Robert Michelson, Ernest Crispo, Phyllis O'Leary, and Mrs. Elizabeth Kelley.

### ONLY ONE INTERVIEW LEFT FOR TM CANDIDATES

The Board of Selectmen have completed their interviews with all candidates for appointment as Town Manager, with one exception. This man is expected to be interviewed within the next week.

Because of the events that followed the last appointment the Selectmen are determined that all members have a full chance to take part in all deliberations leading to the appointment of Wilmington's Town Manager.

Illness of one member, and the press of other business has hampered the Selectmen in this task.

### FOURTH FIFTH AND SIXTH GRADES TO BE ON DOUBLE SESSION FOR SIX WEEKS THIS FALL

The Wilmington School Committee has voted that fourth, fifth and sixth grades will attend school on 'double session' for the first six weeks of the school year, starting in September.

The fourth and part of the fifth grade will attend school from 8 am to 12:20 pm. Children of the sixth, and part of those in the fifth will attend school from 12:30 pm to 4:50 pm.

It is expected that the schools will return to normal schedule before November first the completion date of the new construction of the High School.

Double sessions will be in two schools only - the Swain School, and the Wildwood School. The first second and third grades in the Wildwood School will keep their regular hours.

**SCHOOL COMMITTEE CONGRATULATES DR DUDLEY BUCK**  
The Wilmington School Committee has formally congratulated Dr. Dudley Buck, Chairman of the School Committee, upon the receipt of his degree of PhD. in Science.

The congratulations were extended during the School Committee meeting of last week.

### CANALAS DUMP TO CONTINUE OPERATIONS FOR SIX MONTHS

The Board of Health have signed a contract with Ventura Canales, MacDonald Road, North Wilmington, in which he agrees to maintain his public dump, for use by Wilmington residents, for the next six months, until Dec 31st.

The Board was unable to get a satisfactory bond arrangement for the Spinazola property in South Wilmington.

### CIVIL DEFENSE FROGMEN RECOVER BODY IN GLOUCESTER

Wilmington's Civil Defense Underwater Team recovered the body of a 16 year old boy, who had drowned in an abandoned quarry near Gloucester on June 26th.

Robert Thompson, 16, of Gloucester was drowned while swimming in the abandoned quarry.

Two youths who were nearby ran over a mile, to Folly Cove where the Wilmington Frogmens were swimming.

The skindivers, all members of the Wilmington Civil Defense unit, were: Harold and Roland Clements, Robert Winchell, Harold Hovey and Dell Hunter.

They recovered the boy's body in 70 feet of water.

### REV ARTHUR A SIMMONS TO BE AT CONGREGATION CHURCH JULY 6

Sunday services at the Congregational Church will be conducted by the Rev Arthur A. Simmons, pastor of the Wilmington Church from 1924-39.

Mr. Simmons is now retired, but still does supply or interim preaching. He and Mrs. Simmons have lived in Monterey Mass for several years.

Both Mr and Mrs Simmons took an active part in the two-hundredth anniversary celebration of the Church and of the Town in 1933. Mrs. Simmons wrote for the occasion a history of Wilmington, which may be seen at the Wilmington Public Library.

### NICHOLS STREET WATER MAIN WILL NOT GO UNDER TRACKS OF B&MRR

The new water main, seen to be laid on Nichols Street will not be laid under the tracks of the Nashua Branch of the Boston & Maine Railroad, as was originally planned.

Figures cited by the engineers of the railroad have shown that it will be too costly. The Water Commissioners have decided instead to lay the pipe over the Nichols Street bridge.

Informal advice, meanwhile, from the Tewksbury Water Commissioners has indicated that they will not turn off the water for Fairmeadow Road and Jere Road, now served by that town, and to be served by Wilmington as soon as the Nichols street main is in place. The Tewksbury Commissioners indicated that they could not make any promises, but would continue on a day to day basis.

### NEW INDUSTRY TO COME TO WILMINGTON

A 3 1/2 acre industrial site on West St has been purchased by Mystic Transformers, Inc. according to an announcement made Wednesday by the office of the President, Charles W. Whitehead.

Mystic Transformers, engaged in development and research of Electronic Components, and now located in Winchester, announced that the move was the start of a previously announced program of expansion.

The West Street site is located south of Lowell St between the Palmer and the Quinsland properties.

While the exact size is not known, the building will be a substantial one, according to all reports. Construction is expected to start immediately, and is expected to be occupied this fall.

Announcement of the purchase followed negotiations which have been carried on for the past three months through the office of the Town Manager.

### FIRE DISCOVERED BY POLICE OFFICERS

A fire which gutted part of a house on Main Street was discovered by officers Leo Markey and Don Mercier, 1:30 am Monday morning.

The home of Arthur Hoffman, 470 Main Street, (formerly the Cipillo home) was damaged in part by the fire, which the Wilmington Fire Department thinks was started by defective wiring.

### PROPOSED RESTAURANT NAMED AS OF HOWARD JOHNSON CHAIN

Peter J. Kanavos, president of the company which seeks to locate a restaurant on Lowell Street, at the site of the Thibault Turkey farm stated, Tuesday evening at the Planning Board that he is working for the Howard Johnson Company.

Mr. Kanavos and the board explored alternatives to the plan proposed by him on June 17th. The Planning Board again told him that it is adverse to spot zoning.

Opposition Recorded

(cont pg. 4)

### ERROR

Last week's Town Crier report ed that a car driven by Dale Lobien, of Tewksbury was on the wrong side of the road, in a fatal auto crash.

This was an error. The police reported that it was on the right side, and the Town Crier reported in wrongly.

### MAYOR BILL SHAUGHNESSEY

This column pointed out some months ago that the 18th Middlesex District (Woburn, Reading, North Reading and Wilmington) was going to be the site of one of the hardest fought campaigns for representation in the Legislature, this fall.

Since then we have seen nothing to change our opinion. Every event strengthens our belief

The Republicans, under their State leaders, have decided on a candidate to oppose the present Democrat. They are making it a one-man fight, backing Arthur J. West II, of Woburn, the only Woburn Republican to hold elective office at this time. There is one Reading Republican who is making dissident noises, but every body else is solidly behind West.

The object of West's attentions, of course is Tom Donohue of Woburn, the first Democrat to hold a Representative's seat from this district in 42 years. Tom has just announced that he will be a candidate for re-election, and the Democrats are using the same strategy as the Republicans - ie concentrating behind one man.

But a factor unforeseen to us has entered the picture - namely His Honor Mayor William G. (Bill) Shaughnessey of Woburn.

Bill is the Advertising Manager of the Woburn Times, and a terrifically popular man in his home town, as was evidenced by the vote he received for Mayor.

Now the State Democrats have nominated him for the post of State Treasurer and Receiver General, an honor that isn't given lightly. Bill will have to fight it out with the present Treasurer, Mr. Kennedy, a Democrat, but not in very much harmony with the party.

The point is that with Shaughnessey on the ballots Tom Donohue has received a tremendous assist in his campaign for re-election. The people of Woburn will pour out to vote for him, and Donohue will benefit.

The Democrats have cause to be jubilant.

### LOWELL WANTS OUR COMMUNITY FUND

Officers of the Wilmington Community Fund, Inc. were tendered a banquet in Lowell a week ago yesterday, by officials of the Lowell Fund. The idea was to sound out the Wilmington Fund as to its attitude towards joining up with the larger organizations.

Undoubtedly in back of the minds of the Lowell people is that AVCO is soon to be a part of Wilmington.

The Wilmington Community Fund has been a

### SUSIE'S

*The smell we smell is not baked beans.*

little different than most funds, in some respects, the most notable one being its independence. It has done fairly well, especially in recent years, and it bids to do better as time goes on.

The move by the Lowell organization is of course no surprise to people who watch that city. The various organizations in that city would have the world believe that Wilmington is one of its most dependent suburbs. Thus we find ourselves grouped more and more with Lowell, and many times in spite of our protests.

Wilmington, of course, is oriented towards Boston. Probably 80% of our breadwinners work in or near that city. The greater part of our new residents come from in or near Boston. It makes a few discerning people upset to see the trend towards making Wilmington a suburb of Lowell, when they know that very very few of our residents ever give that city more than a passing thought.

That there might possibly be some advantages to becoming a part of a greater and larger community fund is entirely possible. There might also be disadvantages.

Our Community Fund officials, and the members must give the question a long and serious questioning - if they are asked.

### ON THE CHOICE OF A TM

For some months now our Selectmen have been interviewing candidates for the position of Town Manager of Wilmington. Quite properly the work that they have been doing has been in executive session. There is no advantage to be gained by parading the names of the applicants.

We don't believe that we are letting any cat out of the bag when we say that we have a pretty good idea of who the candidates are, and of their potentialities. We have in our own way been keeping a close watch on the proceedings, all of course in a manner designed to keep from embarrassing any of the Selectmen or candidates.

We have come to the conclusion that the best man has yet to be interviewed. Mr. Calabrese, present Acting Town Manager is the gentleman to whom we refer. He is to be interviewed next Monday evening - the last man on the list.

The qualifications of Mr. Calabrese are of the highest order. He is the best trained candidate available to the Selectmen of Wilmington. He has completed, during his college studies a course in Municipal Administration in Northeastern University, a training course on management.

He is an Attorney at Law.

He is one of the most highly valued Assessors in New England, and has been called on by the National Association of Assessors to speak before regional conferences of that body, and

## TOWN NOTES

**Interstate 93**  
As we have remarked before the year of 1958 sees more physical changes in this town since the day of the glaciers. AVCO and Interstate Highway 93 are of course the two biggest changes, and both of them qualify for that phrase with no doubt whatsoever.

Interstate 93 is now a broad slash, several hundred yards wide, and nearly seven miles long, across the town. It goes through wooded areas in most part, but homes are never more distant than a few hundred feet, as Selectman Don Kidder testified in the Selectmen's meeting Monday evening.

He told of the blast damages in his area, his home being rocked, a guest being knocked out of a chair, etc etc. He also told of the people across the street from him, the Jamison's losing their window curtains to blast.

Perhaps Don Kidder is having the worst time at the present moment, but there will be others who will also suffer inconveniences.

The construction this summer will undoubtedly be dusty, now that the spring rains are a thing of the past. We have no doubt but we will be hearing complaints on the subject, too.

### The Old Oak

There is an oak tree near the home of Capt. George Hathaway, on Salem Street that is estimated to be about 1000 years old. It is four feet in diameter and is perhaps the oldest tree in New England.

We mention this oak because it is seriously near the path of the interchange for Route 62 and Interstate 93. We hope our Town Engineer will do something about preserving this tree, if it is imperilled.

honor that is not lightly conferred.

He has been a part and parcel of every program that this town has undertaken during the past four years.

Our former TM, Joe Courtney has been noticeable chiefly by his absence from the Town Hall during the past four months. Obviously he does not wish to intrude or be suspected of intruding in the management of the town, or the choice of a future Town Manager, yet it is no secret that in the past Courtney has frequently acknowledged Calabrese to be the other member of the Management Team which accomplished so much for Wilmington during the past four years.

It would take more than a full issue of this paper to do justice to the industrial development of Wilmington, the reputation that won it a "Double A" credit rating, the Betterments, the Reappraisal, the Planning, etc during this time. Every informed citizen knows and is proud of these accomplishments.

Courtney, whose reputation as a professional manager is unquestioned, has described Calabrese as his "right hand". Since March the shift in top administration of this town has scarcely been noticeable.

The suggestion that Calabrese has earned top consideration for the TM post has been criticized from only two viewpoints:

One, that he is too "rigid" and does not bend gracefully under pressure. (This we think, along with many of our citizens, is not necessarily a disadvantage.)

Second, that the TM Act specifies that Wilmington's manager shall have had full-time experience as a manager or assistant manager and be qualified by training and education. (There is no question concerning Calabrese's training or education. For nearly four years he was in fact the previous TM's assistant. For four months he has been a most competent manager with the courage of his professional convictions.

For these reasons, and because we want to see our present progress continued in capable professional hands, we believe that Fred Calabrese is the most logical candidate available to the Board of Selectmen.

#### EDMUND J. WATERS FAMILY AT HAMPTON BEACH

TOWN OF WILMINGTON, MASS.  
FACSIMILE OF  
MASTER PLAN  
OF  
PROPOSED  
SEWERAGE SYSTEM

Prepared by Whitman & Howard  
88 Broad St Boston

Restaurant  
(fr. Fr. Pg.)

**OPPOSITION RECORDED TO  
PROPOSED RESTAURANT**  
Over 50 residents and friends of residents of the Lower Lowell Street area, including Strout Avenue have signed a petition to the Board of Selectmen saying that they are not in favor of having a proposed \$100,000 restaurant locate on Lowell Street, as was reported in the Town Crier two weeks ago.  
The petition stated that the people were opposed to 'spot zoning' and felt that this could become a precedent. It also stated that they did not care to have the noise and inconvenience of a business in their neighborhood.

Sewerage  
(fr. Fr. Pg.)  
Eight Areas

As planned by Whitman & Howard, the town will progressively serviced in areas starting at the Woburn line, and working northwards, toward Silver Lake and North Wilmington. The work is so planned that it will progress gradually over a period of years.  
After the present main has been completed along Woburn Street it is proposed, (with due authorization first received) to work towards Wilmington Square and Center.  
The Silver Lake area (IV) would follow at the same time as a partial extension up Burlington Avenue.  
Then, the plan proposes, a start would be made on the No. Wilmington Interceptor, to service West St on both sides of Lowell Street, and then the Federal Gardens. This would be of course, some years distant.  
The upper part of North Wilmington, up to Salem Street, would be the last area to be serviced.

## Pumping Stations

About 80% of the town's sewers will have a 'gravity flow' and for the other portion it is planned to have pumping stations, located in strategic spots throughout the town.  
Most of these would be what are described as 'packaged' pumping stations, or miniature stations, enclosed, and under ground, entered by manholes.  
These stations would be able to pump about 600 gallons of sewage a minute, against a substantial 'head'. They would be completely automatic, with controls, ventilation, lighting, and sump alarms.  
Eleven pumping stations are proposed, seven of them being in the northeastern section of town. They are necessary in this section because of the dissection of the area by Martin's Brook, Lubbers Brook, Mill Brook, and the Ipswich River.

**NORTH READING HASN'T ISSUED  
A GRAVEL LICENSE FOR YEARS**  
Wilmington Selectmen, meeting with the North Reading board last Thursday evening learned that no gravel licenses have been issued by that town for many years.

North Reading, just two weeks ago turned down a request for a license in that town, on Concord Street (the same street as Concord Street Wilmington).  
The meeting was called by the North Reading Selectmen to learn what Wilmington had done about allegedly illegal operations in the former Van Steensburg pit, in North Wilmington and North Reading.  
Wilmington several weeks ago had an injunction issued against the then operator of the pit. North Reading Selectmen told the Wilmington board that they wanted to do the same thing to the same pit, because of recent operations there, and wanted the advice of the Wilmington Selectmen.

INJURED ON TOWN HALL  
BASEMENT STAIRS

Mrs Leslie (Vera) Mills of Ferguson Rd, a clerk in the Town Hall, was taken by ambulance to the Winchester Hospital after falling the whole length of the flight of stairs leading to the basement, Wednesday morning, July 2. Her condition has not been determined at press time.  
The steep narrow stairs, part of the original equipment of the Town Hall, have long been a source of anxiety to those who have to use them.

AUTO ACCIDENT ON SHAW-SHEEN  
AVENUE

A telephone pole, on Shaw-sheen Avenue near Blanchard Road was struck at about 11am on June 28th by a car operated by Mrs. Priscilla Smith of 284 Shaw-sheen Avenue. Mrs. Smith told officers Dolan and Mercier of the Wilmington Police that she glanced aside for a moment, and the car struck the pole.

Passengers in the car were Linda Gardner, 16, Nancy Smith 2 years old, and Suzan Smith, 5 years old, all of 284 Shaw-sheen Avenue.

INJURED IN BURLINGTON  
AVENUE CRASH

Stanley R White, 58 years old of Roosevelt Road suffered possible rib injuries on his right side, after a car he was driving struck a tree on Burlington Avenue at about 10:30pm June 29th. He was taken to the office of Dr. Gerald Fagan for treatment in the Police Cruiser.  
White told the Wilmington Police that he 'blackened out' just before the accident. The car was damaged in the front end and fender.  
Passengers in the car, who claimed no injuries were Joseph and Florence Folloman, of 63 Swain Road.

A SMALL AD IN THE  
TOWN CRIER  
BRINGS RESULTSPROFESSOR OF SOCIAL ETHICS  
TO PREACH IN METHODIST  
CHURCH

Dr Paul Deats, Associate Professor of Social Ethics and Religion in High Education at the Boston University School of Theology will be the guest minister at the Wilmington Methodist Church, Sunday, July 6 at 10 a.m. Mr Deats will preach on the theme: 'Our Need for a Devil.'

Dr Deats is a native of Texas where he received some of his formal education. His education was furthered at Union Theological Seminary in New York, Harvard University and Boston University. He is married and the father of three girls and a boy. At the present time they reside in Newton where Mr Deats is Superintendent of the Church School in the Centenary Methodist Church.

The guest minister will be assisted in the service of worship by Ariel Wood, local preacher in the Wilmington Methodist Church. Mrs Raymond Gardner will begin her summer responsibilities at the organ, and Frank Danforth will be the summer soloist.

Parents are again reminded that a nursery class is provided each Sunday for small children. They are invited to call Mrs Robert Clark, chairman of the Commission on Education, OL 8-2670 for further information.

**UNLICENSED DOGS TO BE  
PICKED UP BY DOG OFFICER**  
Leo LeBlanc, Dog Officer of Wilmington has received orders from the Board of Selectmen that he is to seize any unlicensed dog within the Town of Wilmington.

**BUTTERMILK**

Buttermilk is considered one of the best cosmetics known. Apply it to the face and hands. The milk may be warmed, but should not be boiled.

**CIVIL DEFENSE RADIO TEAM WORKED 412 STATIONS IN ARRL FIELD DAY**

Amateur radio operators in the Wilmington Civil Defense Radio Team worked with 412 radio stations, in 30 states, Canada, Puerto Rico and Mexico during the 24 American Radio Relay League test ending at 5 pm Sunday.

The test, a nationwide one in cooperation with the national Civil Defense was designed to see which station could contact the most radio stations under emergency conditions, in a 24 hour period.

Wilmington's team, well organized, converged on Camp 40 Acres Saturday afternoon, ready to stay up all night, and they did.

The youngest operator was George Szadis, of Lloyd Road, 15 years old. The oldest was Mel Cassidy of Burnap St., a cool 50 years old.

There were almost enough operators to man a battleship, 14 of them, manning five emergency stations, ranging from two Civil Defense Radios, for the 2 and 6 meter bands, to sets which were privately owned. The Civil Defense 2 meter set was operated by novices, and the 6 meter set by technicians.

Power was supplied by the Civil Defense generator, which started to act up during the night, and had as a result a voltage which varied from 70 to 135. The operators lost about two hours of contact with the outside world as a result.

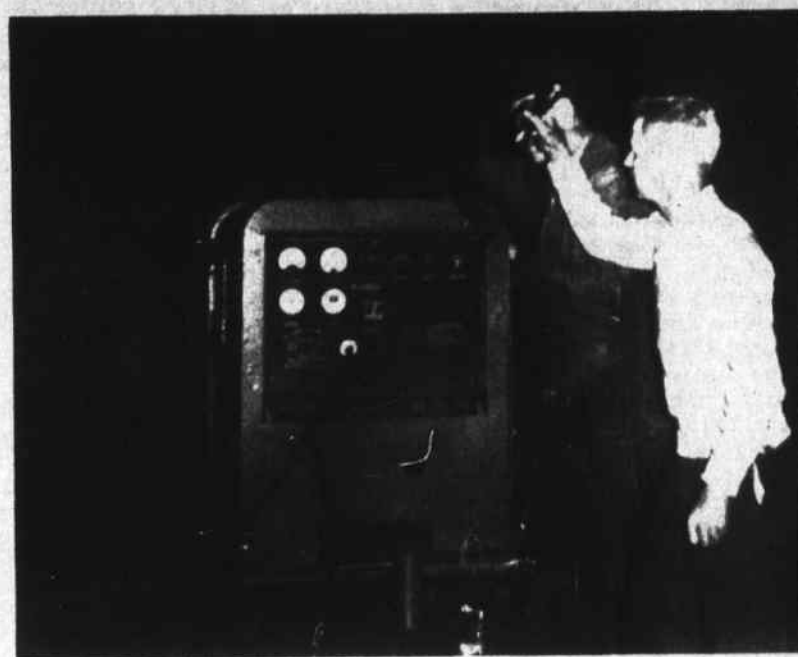

Four rotating antennas, and four long wire antennas were used.

**OUT IN THE OPEN**

Leo Campbell worked his set out in the open, on top of a hill. At the moment the shutter snapped Leo was 'working' an amateur station on top of Mount Washington on the two meter band. He said his wife would be unhappy to notice that his shirt tail was out, but it was more comfortable to work that way.

Aurora Borealis interfered with normal operations. The Wilmington Operators put the celestial manifestation to good results, however, using the ionispheric condition to 'bounce' radio waves. Several times the local operators 'worked' New York City stations by 'aiming' to the North and having their beams reflect towards the target, as off a mirror.

Paul Cassidy, Mel's 12 year old son, not yet an operator, but who hopes to have his license in September, was one of those who stayed all night with the operators. Paul expected to have to chase mosquitoes, but there weren't any so instead he doubled in brass as the hot dog cook for the others in the party.

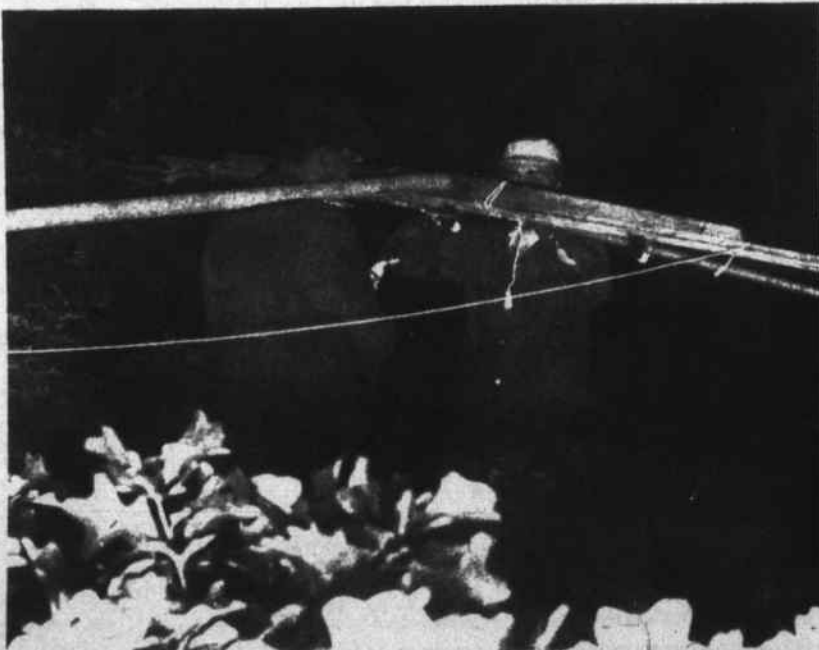

**SOMETHING WRONG WITH THE GENERATOR**

Mel Cassidy, Chief Operator holds a flashlight while the rest of the operators give a guess as to what is wrong with the generator, which was varying in voltage for several hours during the night.

**WELCOME HELP**

Bob Belleville, of Lowell Mass and Vermont, heard the Wilmington operators were planning a 24 hour test and came along for the fun. He was 'very welcome' as far as the local operators were concerned.

A disabled veteran, Bob has all his radio equipment packed into his car a 1948 Plymouth. He had to work with the door open, because of the heat generated by the radio tubes.

**EMERGENCY REPAIRS TO ANTENNA**

Bill Hooper and Art Wood, during the night had to effect repairs to the antenna Wood was using.

## WILMINGTON LITTLE LEAGUE

The Tigers and Indians matched strides during action last week in the Wilmington Little League with two victories each. The Tigers scored three runs in the last inning to catch the Red Sox, 7-6, on Monday, and walloped the Yankees by a 13-0 count on Wednesday. Indian wins included Pete Emery's one-hit shut-out of the Yankees on Tuesday, 10-0, and Thursday's 13-3 romp over the Red Sox behind Paul O'Leary. Tom Grant hit the week's only home run (his fourth) to back up O'Leary's pitching in the Indians' second win. Four Tiger players, who are also members of the High School band, were taking part in a band performance on Monday, but the other eleven team members put out just a little extra in squeaking past the Red Sox. Billy Ritchie, Johnny Robbins, and Jeff Williamson shared the pitching task against the Red Sox trio of Keith Arnold, Robert Britt, and Frank Ingram. Billy Cotter slammed a first inning single to left field for the Yankees only hit versus Pete Emery and the Indians on Tuesday, and Yankee hitters had nearly as much trouble the following night when they collected only four hits from the servings of Jeff Williamson and Billy Ritchie.

In the minor league, young Al Mills ended the Redleg string with a well-pitched 7-4 victory on Friday night. Cub teammates backed up Al's pitching with a strong attack which was more than enough to offset the inside-the-park home run hit by Redleg Stanley Marr. Other action on Saturday saw the Braves picking up their first win, 11-7, over the Dodgers before the Giants pummeled the Cardinals, 16-4 in the nightcap.

## Results Last Week

Monday, Tigers 7, Robbing & Fuller; Red Sox 6, Britt & Tennehan

Tuesday, Indians 10, Emery & Newhouse; Yankees 0, Beuvier & Ring

Wednesday, Tigers 13, Williamson & Farrell; Yankees 0, Cotter & Ring

Friday, Cubs 7, Mills; Redlegs 4, Paglia

Saturday, Braves 11, Richard; Dodgers 7, Phillips

Giants 16, Marcy; Cardinals 4, Sullivan

## TEAM STANDING

MAJOR	W	L	Pct.
Tigers	7	1	.875
Indians	7	3	.700
Yankees	3	8	.273
Red Sox	2	7	.222
MINOR			
Redlegs	4	1	.800
Cubs	3	2	.600
Cardinals	3	2	.600
Giants	3	2	.600
Braves	1	4	.200
Dodgers	1	4	.200

## Schedule

Sat:	Dodgers vs Redlegs
	Giants vs Braves
	Cubs vs Cardinals
Mon:	Indians vs Red Sox
Tue:	Yankees vs Tigers
Wed:	Tigers vs Indians
Thu:	Red Sox vs Yankees

## ST THOMAS WINS THREE MORE

Leads Lawrence CYO League. Excellent pitching and timely hitting enabled St. Thomas CYO to squeeze by St. Michael's of No. Andover June 24th at the High School field to win, 2-0.

Rick Froton hurled a two-hitter. Fred McAndrew's second hit, a triple scored Ernie Moeglin in the 4th. Phil Kavanaugh drove in Ed Palino in the fifth to account for the second run.

Next night at Burlington Joe Peters chipped in with a two-hitter to down St. Margaret's, 5 to 2. Al McDonald's home run and McAndrew's double accounted for three of the five runs as the winners collected only five hits. Two fielding gems by Palino and Kavanaugh and a fine throw by McAndrews quelled the home team's threats.

Last Friday night in Lawrence against St. Monica's it was a case of too much pitching again. The younger St. Monica team couldn't solve Froton's fast ball, as he gave up only one single while walking one. Fred McAndrews and Art Drom

goole knocked in single runs and Al McDonald broke the game open in the seventh with a two run triple. The final score was 5-0.

The Tennihan coached locals are scheduled to meet St. Patrick's at Lawrence tonight. St. Thomas Lineup: Palino, 3; Kavanaugh, cf; Boudreau lb; Bevilacqua 2b; MacDonald ss; McAndrews cf; Moeglin c; Dromgoole, Ahern, rf; Froton, Peters, p.

## ST DOROTHY'S NEWS

Next Sunday is communion day for the ladies sodality and the ladies of the parish.

Confessions Thursday evening at 7:30. First Friday Masses at 7, and 8. No six o'clock Mass First Friday.

Saturday, cake sale at home of Mrs. Frank Mulholland at 225 Shawheen Ave starting at 10 o'clock.

Banns: Third time, Paul Singleton--Beverly Cummings.

Prayers: for the sick and in firm, also for Esther Morin, Katherine MacGregor and Norman Deau.

## ST DOROTHY'S EXTENDS WINNING STREAK

St. Dorothy's newly formed softball team has extended its winning streak to 5 in a row, last Sunday on the Common, at the expense of a newly formed team from Shirley, St. Anthony's.

The girls wasted no time in putting this game on the ice. They scored 11 runs in the first inning. Pat Leahy made her first home run of the season, and her second too, in that first inning driving in three runs on the second hit, which was deep over the left outfielder's head.

Tight pitching by Gwen Fisher and good infield play held the St. Anthony's team scoreless for the first four innings.

Wilmington's girls were not idle. They picked up 5 runs in the third inning by virtue of 3 hits, 2 walks, a hit batter and two errors.

The third home run of the game was again by Pat Leahy in the fourth inning. She drove in two more runs this time.

St. Anthony's finally broke the ice in the fifth with a single by Janice Graves followed by a triple by Olga Sudliski. A fielder's choice gave the visitors two runs.

Pat Leahy was undoubtedly the hitting star of the game, with her three homers. Winnie Mitchell threw in 3 hits for the winners, Ann Sullivan, Ruth Sullivan, Pat Sullivan and Gwen Fisher chipped in two apiece. (Ann Sullivan hit a homer in the first game of the year, which was not reported at that time).

Marie Sullivan handled first base nicely, coming clean in eight chances. Ellen Leahy and Ginny Dawson exhibited strong infield play, halting any enemy uprisings.

Nancy Chase was the leading hitter for the visitors. St. Anthony's had a total of 12 hits, but couldn't come through with the big hit when it was needed.

The final score was 21-4 in favor of St. Dorothy's.

### MUNICIPAL MEANDERINGS

Introducing Anton V. (Tony) Thiel, Supt. of the Maintenance Dept. Tony's job, with its subsequently increased responsibilities has grown with our schools. New buildings for the education of our young'uns mean new headaches for Tony. Not large in stature, nevertheless Mr Thiel is large in capability and takes each additional assignment in stride. The exasperation of his existence is the malicious vandalism of the school buildings. Each destructive act requiring repairs or replacement wreaks havoc on his carefully prepared annual budget. Have a heart kids!

Chuckle Dept! Town Clerk Esther Russell returned from lunch one day last week to find a large black dog asleep under her desk--minus a dog tag and obviously smart enough to know where to go for one!

We are sorry to learn that Hal Helwig of the Planning Board is moving his family back to his home state, California. Hal and his busy wife, Jo, have been most civic minded during their residence here. They, and the contributions both have made to the general good of the town, will be missed.

Bill Babine and his Tree Dept crew have been up and at it in the wee small hours these days as they wage their annual battle against the mosquitoes. Bill is covering every square inch of Wilmington in the early dawn but with the constant rainfalls this past month, seems as though the mosquitoes are ahead on the score!

Have you single girls glimpsed the Northeastern Co-op student who is currently assisting the Town Engineer? Vital Statistics; single; six-foot tall; handsome? Oh, let's not embarrass the lad! (Psst! yes, he is!) Answers to the name of Bob Goodell and hails from Tewksbury. Nephew, by the way, of Agnes Daley, principal of the Mildred H Rogers School.

Andrew (Pat) Ring, Welfare Agent is enjoying his annual vacation. The family will spend a week in Maine where Pat is literally 'itching' to try out his new boat. Then home for a week, to do some 'day-hopping' locally.

Happy to report that Town Treasurer Grace Tilley is back at her desk following an illness of several weeks duration. Minot (Andy) Anderson, Building Inspector, is Wilmington's busiest man these days. Route 28 has changed the bounds of his land and Andy has been up to his neck in chickens! Ever try to relocate some 1,000 feathered friends?

### EXCERPTS FROM THE MUNICIPAL MAIL BAG:

-----last Sunday, where they are building a road - there was a young fellow with a wheelbarrow carting away gravel. That is twice we have seen him. Why doesn't a watchman be there to keep people from all this stealing? OK now, 'fess up, who has the 'hot' gravel?

### WILMINGTON'S CIVIL DEFENSE AND AMATEUR RADIO OPERATORS WHO TOOK PART IN THE ARRL FIELD DAY

Mel Cassidy, WISEA, and Paul Cassidy, Junior Operator. Art Wood, W1YGF; Bill Hooper, W1QEC Jim Corum, K1AON; Red Cummings W1IRK, Tom McAndrews, W1KXH; Dick Lena, W1KXL; Ernest Ayers W1SVU; George Szadis, KNIGDI. Guy Micalizzi, KN1GCZ; Lee Campbell, W1YNL; Bob Bellville W1OJP, and Steve Laree K1AWB.

Our Sick and Deceased Parishioners.

## INFANT BEDELL

The infant son of Mr and Mrs Bryant Bedell died Sunday morning after a day and a half of life.

## SUNDAY STORE HOURS TO BE ENFORCED

The Board of Selectmen have voted to send a letter to each store owner or operator of Wilmington who possesses a so-called 'Sunday License' informing the store owners that the provisions of the law regarding Sunday sales are to be enforced, and that infringements can mean the loss of a license.

Many store owners have been in the habit of selling meats and groceries on Sunday, which is forbidden by the Massachusetts statutes. The Selectmen have been discussing the problem for months, without coming to a vote.

The question was brought up Monday evening as the result of a letter by Chief of Police Paul J. Lynch, requesting instructions regarding a certain store. It was not clear from the Chief's letter whether he was using the store as an example, or if he meant just one.

A second factor in bringing the discussion to a head was the request of a new store in the Silver Lake area for a Sunday license. It was denied.

## SALLY HIGGINBOTHAM BRIDE

OF DANIEL F. COSMAN  
Miss Sarah Ellen Higginbotham, daughter of Mrs. M. B. Higginbotham of Adams Street was united in marriage to Daniel Fowler Cosman, son of Mr. and Mrs. James D. Cosman of Salem Street, in a June 15th ceremony in the Church of the Good Shepard (Episcopal) in Reading.

Given in marriage by her brother, Herbert Higginbotham Jr. The Rev. Herbert A. Jerauld, Pastor, united the couple. Mrs. Kenneth Wilson of Suncrest Avenue was the soloist.

The bridal gown was of silk organdy, fashioned with a pearl embroidered bodice of Alencon lace, cap sleeve and peplu, over a bouffant bell shaped silk skirt, terminating in a chapel train.

A finger tip veil of imported silk illusion attached to her hat of re-embroidered Alencon lace trimmed with pearls completed the costume.

Miss Andrea Bischoff was the Maid of Honor, and the attendants, all members of the Rainbow Order for Girls were Vilma Bedell (new Mrs. William Merrill), Mrs. Roy Syvertson Jr. Miss Louise Carnes, Miss Jane Randall, Miss Nancy Anderson, and Miss Barbara Odiome, all of Wilmington.

Miss Starr Michelson was the Junior Bridesmaid.

The attendants wore ballerina

length dresses of embroidered nylon over taffeta trimmed with a taffeta cummerbund with back bow. They had mint green embroidery on a white nylon sheer, with matching tiara of nylon tulle petals trimmed with face veil.

John D. Cosman Jr. of New York, a brother of the groom,

was the Best Man and the ushers were Mr. Robert Michelson, Mr. Roy C. Syvertson Jr. Mr. James Cosman, Mr. William Cosman and Mr. Louis A Doherty. A reception was held in the vestry of the church after the ceremony.

After a wedding trip to Canada, the newly married couple plan to make their home on Glen Road.

July 14, Mr and Mrs Dick Tucker of Wilson Road, Tewksbury are the co-directors and have requested that all planning to attend notify them by July 5. Reservations by phone can be made by calling the parsonage at OL 8-8763.

Last Monday evening a sizeable gospel team of 22 members and friends conducted a service at the Union Rescue Mission at 1 Dover St Boston. Mr. Roger Nichols, the church treasurer and choir director directed the team bringing the message 'Ask and Ye Shall Receive', and leading the church choir in an anthem 'Let the People praise Thee'.

The pastor led the song service and testimonies were given by Cathy Bousfield, Dave Townley, Mrs. Lois Ings, Jack Moore (who also led in prayer) Geoffrey Nichols and Mrs Norma Allen, and several members of the congregation. Mrs. Mildred Gunn sang 'I'd Rather Have Jesus' accompanied by the church pianist, Mrs. Ethel Perry of Reading, and Dick Tucker read the service.

Other members of the team included Mr and Mrs Judson Arbo, Mrs. Basil Weatherbee, Mrs Jack Moore, Mrs Dick Tucker, Mrs Harriet Nichols, Nancy Nichols, Lauren Smith, Mrs Dotta Fantasia, Mrs Doris Woodman, and Mrs Elliot Castillo.

Another trip to the mission will be held on the last Saturday in July.

## JUNIOR CHAMBER OF COMMERCE TO MEET JULY 8

The next meeting of the Wilmington Junior Chamber of Commerce will be held Tuesday, July 8 at the Roman House.

The charter membership list is still being held open for those who wish to have their names appear among the original members of Jr Chamber of Commerce in Wilmington.

The meeting is open to all prospective members.

## Youth Canteen (cont fr pg 3)

the Youth Canteen and the Junior Planning Board. The young people were kept busy with record playing, dancing, and pingpong when not entertaining the guests.

From now on through the summer, the Youth Canteen will be open Friday and Saturday evenings from 7-11 p.m. Chaperones will be in attendance.
